M.E.P. CONTRACTING

OUR HEALTH & SAFETY COMMITMENT

With our experts and expertise combined with our work force, equipment and computer based project management facilities, We aim to assist our clients in maximizing production while conducting our activities in such a way to minimize the effects of operation on the surrounding environment and protect the health and safety of our employees and subcontractors.

We believe in the commitment to health, safety and environment (**HSE**) performance. It is a principled business objective. HSE performance is given the same priority and importance as our other business objectives. We recognize the importance of maintaining a safe and healthy work place. Conservation of the environment in all areas of operation is of prime importance and requires the active participation of every employee and all subcontractors. For Adonis décor LLC, HSE means working towards an incident free work place.

Our health & safety commitment is certified by

Occupational Health and Safety Assessment Series (**OHSAS**)

OHSAS 18001:2007 is an international standard that is developed by the OHSAS project Group, an association that includes government agencies, certification bodies, national standards, industry associations, and consultants. The British Standards Institution (**BSI**) currently provides the Secretariat of the OHSAS Project Group.
